2016 Hill Country Ride for AIDS

Riders, teams, and volunteers provide life saving support for thousands of Central Texas living with HIV/AIDS by raising money for 10 local nonprofit organizations. It's a RIDE, not a race, and all levels are welcomed and celebrated. You choose the distance that best suits you. Ride 13, 27, 53, 70 or 100 miles.

Jason

I ride for you - just as spokes on a wheel come together, we are all a part of this community of kindness.
